

At ABTCO Vinyl, we work hard so you don't have to.

HARBOR RIDGE™
Rustic
Premium Vinyl Siding and Accessories

As one of North America's largest manufacturers of siding products, **ABTCO** is renowned for offering a vast array of innovative, long-lasting low-maintenance products.

That means using only the finest polymers, pigments and color-protection ingredients in the manufacturing process. It means continually creating new, stronger, more attractive designs, and backing them with a lifetime limited warranty.

See the warranty for full details, available from your **ABTCO** distributor, or on our website.

ABTCO Vinyl Siding

HARBOR RIDGE™

Rustic

Premium Vinyl Siding and Accessories

Have you always longed for a home with hand-stained cedar or redwood, but knew it would be nothing but continuous maintenance?

Now there's a low-maintenance option. With a lifetime limited warranty to boot.

For the authentic look of stained cedar siding, with none of the drawbacks of aged wood, consider Harbor Ridge Rustic™ vinyl siding. Calibrated to a full .044" thickness, and artistically designed with a random, stained wood grain appearance, Harbor Ridge Rustic siding successfully combines premium durability with extraordinary realism. Available in two profiles and a range of colors, Harbor Ridge Rustic siding offers a beautiful and durable alternative to wood.

Deeply textured woodgrain appearance of stained cedar siding

.044" thickness

LineLock™ panel locking system

1/2" lap profile

Vapor Vent™ weep hole system

UV inhibitors

See actual samples or our website for complete product listing.

Harbor Ridge Rustic™ is available in 2 distinct profiles to add character to any home.

We've designed soffit and accessories in colors to work harmoniously with your color scheme.

When you consider all the undersides and corners and other nooks and crannies that are a real part of the exterior of your home, there's a lot more to consider than just the siding. And **ABTCO** is right there with you with a broad offering of color accessories to round out your low-maintenance remodeling project.

Why Harbor Ridge™ Rustic Siding?

- Our unique LineLock™ panel locking system means a quick, easy, secure installation.
- High-grade vinyl compounds combined with the latest lab-engineered UV inhibitors mean outstanding resistance to the elements.
- Harbor Ridge Rustic siding's deep lap profile provides enhanced beauty and increased installation rigidity.
- Our VaporVent™ weep hole system helps channel condensed water vapor away from the siding.
