**KP Building Products:
We make everything you build with.**

With the highest standards from today's advanced technology. KP Building Products maintains its own Advanced Technology Center for continuous product improvement and development. A strong commitment to quality, consistency, color retention, strength, rigidity and durability applies to all our vinyl siding products.

**This siding is engineered
for long-lasting performance.**

**Dakota can stand up to
the toughest conditions...**

The exterior of your home still faces tough challenges from weather and atmosphere. The constant barrage of ultraviolet rays alone can break down some of the toughest paints and sidings. But not with Dakota™ vinyl siding from KP. We blend in only premium vinyl compounds, and the industry's best UV inhibitors, ensuring an unwavering panel that will keep its good looks for a long, long time.

**Your whole house can be
high quality with low maintenance
from siding to soffit to trims.**

- Many styles in clapboard and dutchlap siding.
- The premium appearance of low-gloss freshly-painted wood.
- A wide range of color-matched accessories and trims.
- Soffit in many styles with trims to match or contrast.
