

INNOVATION

DURABILITY

STYLE

As one of the largest manufacturers of building materials in North America, KP Building Products is renowned for offering a vast array of innovative industry-leading products.

We use only the strongest polymers and most attractive pigments in our design process. That way, you have all the right tools when you begin to bring your vision to reality.

We work hard to develop products that deliver performance and style and ensure customer satisfaction with a lifetime limited warranty.

Protection and Style with **MAXIM**®

Unmatched STRENGTH and STYLE

It's a harsh world out there. Rogue bicycles and foul balls. There's snow, hail and biting wind in winter. Summer brings scorching sun and torrential rain storms. Let's face it, you need all the protection you can get.

Maxim Vinyl Siding delivers that protection. What's more is Maxim protects in style. Our panels are molded from real wood and designed in a wide variety of profiles and colors. No matter what lies in store, Maxim can handle it.

Unique BEAUTY

The bold, distinctive look of Maxim Board and Batten is unlike any other and is made with the same durability and lasting beauty of Maxim. For those who are ready for a noteworthy choice, Maxim Board and Batten is it.

Maxim Board and Batten has a full 8" exposure, with a 6 1/4" face and 1 5/8" batten. The competitor's face, exposure and batten are all narrower than Maxim's.

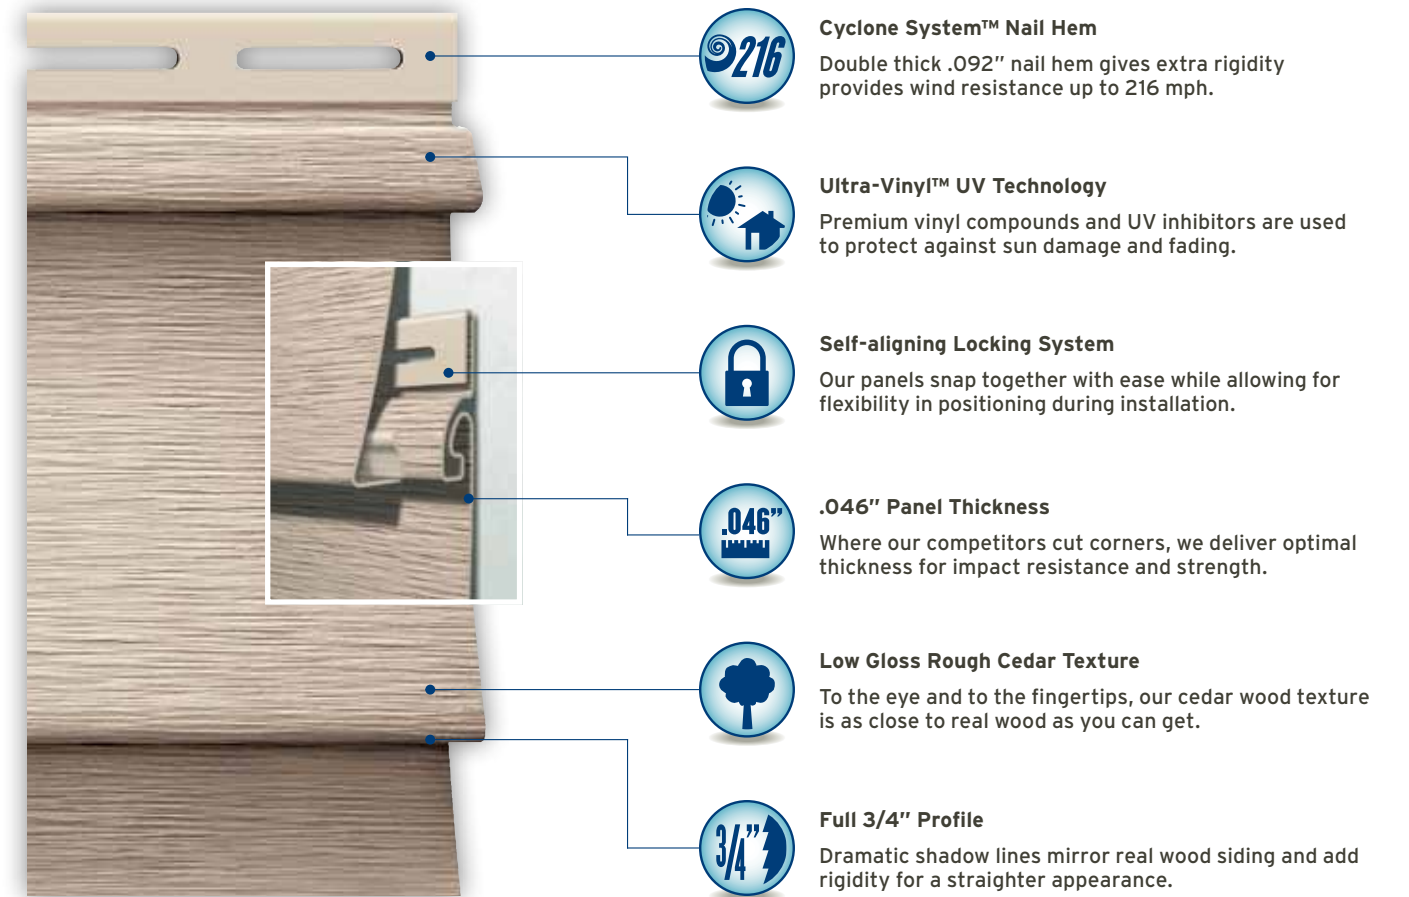

Abundant COLOR

When you begin to pair these beautiful colors with Trim, Soffit and the accessories available from KP Building Products, a style truly your own will emerge.

Superior FEATURES and BENEFITS

Maxim has your back. Our exceptional product is carefully designed and manufactured to give you the best performance possible. Take a look below and see what we mean.

Profiles with PERSONALITY

Maxim's outstanding quality and reliability is available in five different profiles, including Board and Batten. With this many choices you're sure to find one that fits your style.
